SUMMARY

Virtual Assistant specializing in GoHighLevel, CRM management, automation, and responsive website creation. Builds lead pipelines, booking systems, and automated customer follow-ups, alongside websites that support online visibility and lead generation. Background in marketing, customer relations, and administrative support.

EXPERIENCE

2B Consulting Co. LLC **2025 – September 2026**
Web Developer & Technical Systems Specialist

- Create responsive business websites in GoHighLevel and Wix, aligning layouts, content, and calls to action with client branding and goals.
- Build landing pages, service pages, contact forms, and booking pages with clean design and a focus on user experience and conversion.
- Set up CRM pipelines, lead capture, appointment booking, and automated customer journeys using triggers, actions, email/SMS follow-ups, and reminders.
- Connect website forms and booking systems to CRM workflows; support website updates, basic SEO, and content organization.

Anvaya Cove Beach and Nature Club **January 2026 – August 2026**
Customer Relationship Management

- Developed and optimized CRM workflows, customer inquiries, automated email campaigns, appointment reminders, and lead follow-ups.
- Processed and monitored customer payments through authorized third-party banking platforms and maintained accurate transaction records.
- Updated member accounts in Microsoft Dynamics 365 Business Central and prepared transfer-of-ownership documentation.
- Tracked collection efficiency and prepared club collection reports and presentations using PowerPoint and Canva.
- Maintained organized digital records and supported daily administrative operations and workflow coordination.

S N' P Trading and Distribution Corporation **August 2025 – December 2025**
Marketing Staff

- Created and optimized promotional content in Canva and managed Facebook and Instagram business accounts to support engagement and brand visibility.
- Managed business accounts, customer inquiries, CRM workflows, and follow-ups to support timely, consistent client communication.
- Created and managed email campaigns, appointment reminders, and lead follow-up processes to support engagement and daily operations.

EDUCATION

Gordon College **2021 – 2025**

Bachelor of Science in Hospitality Management
- Cum Laude
